His polling in Florida has been rated by the National Journal's Hotline as the most accurate in the nation in 2004 and 2006.

As an overall strategist for publicity and political campaigns, Johnson is considered an authority and his polling data has appeared in some of the leading publications in America including the *Newsweek*, *U.S. News & World Report*, *NewsMax*, *National Review*, *Wall Street Journal*, *Washington Post*, *St. Petersburg Times*, *New York Daily News*. Our new website is up! We can thank our new member extraordinaire, Carmen Natschke for this excellent work of art. It's work in progress but check it out at [www.RWNSB.com](http://www.RWNSB.com). Thanks Carmen. We need more volunteers for newsletter, by-law, budget and fundraising committees. Sign up at the Feb. meeting or call me. Thanks, Suzie
